Construction Products Regulation 2011 (retained EU law EUR 305/2011) as amended by the Construction Products (Amendment etc.) (EU Exit) Regulations 2019 and the Construction Products (Amendment etc.) (EU Exit) Regulations 2020

Certificate of conformity of the factory production control

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the designated standard under system 2+ of Construction Products Regulation 2011 (retained EU law EUR 305/2011) as amended by the Construction Products (Amendment etc.) (EU Exit) Regulations 2019 and the Construction Products (Amendment etc.) (EU Exit) Regulations 2020 are applied and that the factory production control fulfils all the prescribed requirements set out above.

The UKCA marking may be used on the product described above, subject to the product meeting the requirements of all applicable Regulations.

This certificate was first issued on 01/03/2025 and remains valid as long as the test methods and/or factory production control requirements included in the designated standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. Any conditions of validity to the certificate shall be complied with. For further details related to this certification please contact babt@tuvsud.com
